

that cost Americans money and jobs. In critical ways, our Tax Code gives explicit economic advantage to our foreign competitors. That changes with this bill.

The Tax Cuts and Jobs Act puts the American taxpayer and the American economy first. The bill cuts taxes for individuals and families in every tax bracket.

By lowering rates, doubling the standard deduction, and increasing the child tax credit, hardworking American families can keep more money in their paychecks. The average family of four earning \$55,000 will see a tax cut of over \$1,000.

This bill will supercharge our economy by making everyone play by the same rules. It substantially reduces taxes on small businesses and manufacturers. This means more jobs, more money, and more opportunity for American workers.

Tax reform is the single best thing we can do for our economy. I urge all my colleagues to support this bill.

REPUBLICAN TAX SCAM

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, just calling this tax bill a middle class tax bill does not make it so. You actually have to read the bill. And if you do, you will find that the vast majority of the benefit goes to the people at the very top: the wealthiest Americans, multinational corporations. They are the beneficiaries of this Republican tax scam.

Saying it benefits the middle class does not make it so, and, in fact, many in the middle class, tens of millions of people in the middle class, will pay more taxes so that we can do what? Give huge tax breaks to the people at the very top.

And how do they pay for that? They borrow money.

All these deficit hawks, all these people over here who have said over and over again that it is immoral to pass debt on to our children and grandchildren will walk to the floor of this House and they will vote to send \$1.5 trillion in debt to their kids and grandkids to give corporations and the wealthiest Americans a tax break.

It is immoral. It is immoral.

RECOGNIZING THE FREEDOM 5K FOR PTSD

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to highlight an exciting event at Penn State that raises awareness about veterans who suffer from post-traumatic stress disorder.

The Freedom 5K for PTSD is the brainchild of some of Penn State's ca-

dets. Nicholas Pisciotta organized the 2016 run, and Joshua Stein organized this year's event.

Mr. Speaker, these dedicated cadets said they felt it was important to take care of the men and women who have fought for our country and are still fighting for the freedoms that we enjoy today.

The proceeds from the event support the Lone Survivor Foundation, which provides support for wounded service members, their spouses and children, by empowering them with helpful information on how to address post-traumatic stress, mild traumatic brain injury, chronic pain, military sexual trauma, and care partner stress.

The Freedom 5K also honors the spirit of Navy SEAL Lieutenant Michael Murphy, a Penn State alumnus, who made the ultimate sacrifice as part of Operation Red Wings.

Mr. Speaker, I commend these current and future servicemembers for not only organizing this impactful event, but for caring about their fellow military men and women.

HOUSE DEMOCRATS CONTINUE TO FOCUS ON BETTER JOBS, BETTER WAGES, AND A BETTER FUTURE

(Mr. JEFFRIES asked and was given permission to address the House for 1 minute.)

Mr. JEFFRIES. Mr. Speaker, while House Democrats continue to focus on better jobs, better wages, and a better future for the American people, House Republicans have put forward a phony, fraudulent, and fake tax reform plan.

The Republican tax scam will raise taxes on 36 million middle class families, undermine Medicare, and explode the deficit. It will saddle our children and grandchildren with more than \$1 trillion in additional debt simply to pay for massive tax cuts for millionaires, for billionaires, for special interest corporations, and for the privileged few.

It is all being done simply to subsidize the lifestyles of the rich and shameless. It is a Ponzi scheme. It is a heat-seeking missile aimed directly at middle class families. It is a flimflam, and it must be defeated.

CONSTRUCTION TO LOWER YELLOWSTONE INTAKE PROJECT MUST BE COMPLETED

(Mr. GIANFORTE asked and was given permission to address the House for 1 minute.)

Mr. GIANFORTE. Mr. Speaker, for 110 years, the Lower Yellowstone Intake Project has provided a dependable supply of water to over 58,000 acres of family farms in Montana and North Dakota. It has created over 10,000 acres of wildlife habitat.

To protect the endangered pallid sturgeon, Congress funded a bypass

channel and weir improvement so that the fish could circumvent the diversion that had been there for 110 years. The proposed construction would also protect regional groundwater, the environment, and agricultural communities.

Unfortunately, a U.S. district judge blocked the project this summer because, as he claims, it does nothing for the sturgeon. His ruling to halt construction does nothing to help the sturgeon. His ruling does nothing to help the communities that rely on the project's irrigation water.

I urge the Army Corps of Engineers to move forward with the work on the Lower Yellowstone Intake Project. The completion of this project is urgent to protect species' habitats and agricultural activities in Montana.

THE STORY OF HUGO FROM SALEM, OREGON

(Mr. SCHRADER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHRADER. Mr. Speaker, I rise today to share the story of Hugo from Salem, Oregon, and I continue to urge Speaker RYAN to put forth a clean Dream Act.

Hugo is an undocumented Oregonian originally from Veracruz, Mexico. His only memory of Mexico is saying goodbye to his parents as a child before leaving for Salem.

In high school, Hugo played football, he was a JROTC commander, a youth police cadet, and a firefighter explorer. He quickly moved from ESL into honors classes, and graduated at the top of his class. Hugo earned the privilege of delivering the commencement speech at his graduation.

All of this, along with his dedication to community service, led to the city of Salem recognizing Hugo as Youth of the Year.

Because of Hugo's immigration status, however, after leaving high school, his only job was a field hand. That is until DACA.

Hugo was able to enroll at the University of Oregon, working multiple jobs to pay for his tuition, and earned his bachelor's degree in economics. He now works as a banker, and volunteers as a teacher in financial literacy for families. But in 10 months, his work permit will expire.

Mr. Speaker, let's protect 800,000 DACA recipients across this country, like Hugo.

THE 21ST CENTURY FLOOD REFORM ACT IS NEEDED REFORM

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, a wise man said that insanity is doing the same thing over and over and expecting a different result.

The definition of public bankruptcy is not having enough public taxes to pay public debts.

This means that the current National Flood Insurance Program is both insane and bankrupt. It is insane because taxpayers pay when others' homes are flooded. They pay again when the same homes are flooded a second time and a third time and a fourth time.

The GAO confirmed that the National Flood Insurance Program has created a flood of taxpayer debt; \$23 billion in March of 2016. Three recent major hurricanes on the Gulf Coast doesn't help.

Because Texas 22 had record floods when Hurricane Harvey hit in May, I was proud to be one of 237 Members to vote for needed reform, the 21st Century Flood Reform Act.

Mr. Speaker, I urge my Senate colleagues to do the same. Give America a Christmas present before Santa Claus comes to town.

LET'S WORK TOGETHER TO CRAFT A TAX REFORM BILL

(Ms. TSONGAS asked and was given permission to address the House for 1 minute.)

Ms. TSONGAS. Mr. Speaker, tomorrow the House will vote on H.R. 1, the so-called Tax Cuts and Jobs Act, which Republicans say will support America's middle class. Unfortunately, that is not the case.

Middle-income Americans will receive, at best, one-fifth of the promised benefit of these tax cuts.

According to the nonpartisan Tax Policy Center, H.R. 1 will raise taxes on 36 million hardworking middle class American households.

It scraps benefits our families depend on, like the student loan interest and medical expense deductions. Imagine, in a time when access to higher education is critical to a family's economic well-being, making it even more expensive.

This legislation was written behind closed doors, in secret, without Democratic input and without any hearings.

Mr. Speaker, a bill to overhaul the Tax Code, the results of which will affect every American for decades to come, deserves open and transparent consideration. I urge my colleagues to work together to instead craft a tax reform bill that truly lifts up the middle class and invests in our future.

THANKFUL FOR CHANGE

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, as we approach Thanksgiving 2017, I am thankful for the change since election 2016 and the positive success of President Donald Trump and Vice President Mike Pence to cut taxes to create jobs.

In the House, led by Speaker PAUL RYAN, there have been records set on productivity. As of this week, there have been 458 bills passed out of com-

mittee, more than the last five administrations; 407 bills passed out of the House, more than the last five administrations; and 82 bills signed by the President. There is progress for limited government and expanded freedom.

President Trump has also restored trust in America as a beacon for freedom with his strong friendship with Prime Minister Benjamin Netanyahu of Israel, Prime Minister Shinzo Abe of Japan, and President Emmanuel Macron of France. He has championed liberty with 50 Muslim nations in Saudi Arabia, with stunning tributes in Warsaw and with the National Assembly in Seoul this week.

President Trump's success in creating jobs is clear with the Dow Jones, achieving 50 new highs and soaring. Consumer confidence is at a record high, establishing 261,000 new jobs in October alone.

Mr. Speaker, in conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

THE GOP TAX PLAN

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Mr. Speaker, my Republican colleagues have gone too far. Their tax scheme gives \$1.5 trillion in tax cuts to millionaires and billionaires as well as wealthy corporations. It raises taxes on 36 million middle class families; makes deep cuts to Medicaid and Medicare, education, and infrastructure investments; and creates more incentives to ship American jobs overseas.

Now they are planning to sneak in a provision that targets the heart of the Affordable Care Act and strips more than 13 million Americans of their access to healthcare. This is not a tax reform plan. It is a tax scam.

Democrats and Republicans should be working together to fix an economy and a Tax Code that is rigged against working people. The American people need real tax reform that invests in middle class families, stops corporations from shipping jobs overseas, and protects Medicare and Medicaid and other vital investments in healthcare, education, and infrastructure.

Mr. Speaker, this bill does just the opposite. It deserves to be defeated, and the American people deserve a better deal.

RECOGNIZING THREE NATIONAL BLUE RIBBON SCHOOLS IN MICHIGAN

(Mr. BISHOP of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of Michigan. Mr. Speaker, I am honored to be here today to recognize three National Blue Ribbon schools in my district.

Each year, the Department of Education recognizes some of the top

schools from across the United States. The Blue Ribbon award is a remarkable achievement that recognizes the outstanding work done by exceptional educators and the hard work of dedicated students.

I would like to congratulate Hamlin Elementary School; Brewster Elementary School; and my own alma mater, Rochester Adams High School, for being recognized as being some of the best educational institutions there are.

I know this personally, as two of my children attend Rochester Adams High School. From my experience with these schools, what sets them apart is the teachers don't wait to generate enthusiasm for learning. Each and every student is empowered to do things for themselves, to take on challenges, to push their minds, and to think of things in different ways.

All of these schools are exceptional and are filled with the love of learning and are devoted to preparing students for all stages of life. All three schools serve the Rochester community and my hometown of Rochester.

Mr. Speaker, congratulations again to all these outstanding schools. Their selfless devotion to their students is something for which we all can take to heart. Our children are our future, and these Blue Ribbon schools are committed to making it a bright one.

ROLLINS DEMOCRACY PROJECT IS A SUCCESS

(Mrs. MURPHY of Florida asked and was given permission to address the House for 1 minute.)

Mrs. MURPHY of Florida. Mr. Speaker, in a nationwide competition, Rollins College achieved one of the highest student voter turnout rates in the 2016 Presidential election.

I want to recognize the hardworking students and faculty at the Rollins Democracy Project for this accomplishment, which reflects the school's commitment to preparing the next generation of engaged citizens and global leaders.

As Justice Brandeis once observed, the only title in our democracy superior to that of President is the title of citizen.

Our democracy withers when our citizens are disengaged from and cynical about the political process. However, it is strongest when our citizens are engaged and informed. Our democracy works best when our citizens use their voice and their vote to hold elected leaders accountable. It thrives when our citizens understand that, while the right to vote is sacred, it is only powerful if it is exercised.

Mr. Speaker, that is why what this school accomplished is so important and why I am so proud to represent Rollins College in Congress.

IT IS TIME FOR CONGRESS TO REPEAL OBAMACARE'S INDIVIDUAL FORCED MANDATE

(Mr. HARRIS asked and was given permission to address the House for 1
