100TH ANNIVERSARY OF
MERCHANT'S GROCERY

HON. DAVE BRAT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. BRAT. Mr. Speaker, this year marks the centennial of Merchant's Grocery. The store has been a cornerstone of community for Culpeper County and is worth taking the time to recognize.

The store was founded in 1917 and is one of the few stores to make the transition from a Mom and Pop grocery store to a modern food service model without losing the culture and atmosphere that has made it desirable.

Merchant's Grocery has remained unwavering in its care for its customers and employees. Their quality of service is what has allowed them to last for 100 years and has kept their customers loyal to their industry.

Businesses such as Merchant's Grocery are a taste of an age gone by. These businesses serve as a reminder of the importance of small businesses and the crucial roles they play within their communities.

Merchant's Grocery has been a servant to Culpeper County, Shenandoah Valley, and the area of Central Virginia for the past 100 years and will continue to be a blessing to its employees and customers alike.

COMMEMORATING THE 50TH ANNI-
VERSARY OF THE PUBLIC
BROADCASTING ACT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. BLUMENAUER. Mr. Speaker, since its inception, public broadcasting has truly re-

mained both a national and local institution offering educational programming for youth, emergency communications, cultural programs, and providing for the unique broadcasting needs of rural and small towns. In fact, more than 170 million Americans rely on public broadcasting every month.

Fifty years ago, the enactment of the Public Broadcasting Act created the Corporation for Public Broadcasting and led to the establishment of the Public Broadcasting Service and National Public Radio. Today, I commemorate this law's 50th anniversary signing and celebrate the critical services public broadcasting continues to provide as America's most trusted source of news and information.

It's no surprise that an overwhelming majority of Americans want to maintain or even increase the federal contribution. That's why Congress, time and time again, has committed to funding public broadcasting through the appropriations process. Each federal dollar dedicated to public broadcasting leverages six private dollars, usually voluntary contributions.

My colleague, RYAN COSTELLO, and I founded the bipartisan Congressional Public Broadcasting Caucus to unite Members of Congress who understand that public broadcasting's mission is alive, well, and deserving of our support. We'll continue working to highlight the importance of the service, the needed federal support, and the valuable contributions to our citizenry.

HONORING LEMONT HIGH SCHOOL
FOR BEING NAMED A NATIONAL
BLUE RIBBON SCHOOL

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. LIPINSKI. Mr. Speaker, I rise today to recognize Lemont High School for being honored with the prestigious 2017 U.S. Department of Education National Blue Ribbon School Award. The award was conferred under the Exemplary High Performing Schools category.

District Superintendent Mary Ticknor, School Principal Eric Michaelsen, administrative staff, and an amazing group of teachers are committed to Lemont High School's mission for all students to become life-long, independent learners and productive citizens. To further the mission, teachers are afforded the freedom to take risks in the classroom, and the school encourages project-based learning with real-world applications. In this environment, students learn that success is open-ended and further educational attainment requires persistent hard work and self-improvement.

Lemont High School takes pride in preparing students for their next steps in education and future careers. This past school year, Lemont students set two school records with the largest number of students ever to take at least one Advanced Placement exam for college credit and the highest percentage ever of those exams earning a passing score. Lemont High School's diverse set of accomplishments, both in and out of the classroom, speaks to the effort the school makes to produce well-rounded young women and men.

The U.S. Department of Education established the National Blue Ribbon Schools Pro-

gram in 1982 to recognize public and private schools with high or significantly improved achievement. I am proud that Lemont High School has been honored as one of these exceptional schools.

Mr. Speaker, I ask my colleagues to join me in congratulating Lemont High School for this impressive achievement, and recognizing the teachers, administrators, students, parents, and community for the hard work that they have put in to earn this award.

Mr. HUDSON. Mr. Speaker, I rise today to honor the life and legacy of Staff Sergeant Bryan Black, who was killed in action on Wednesday, October 4, 2017 while defending our nation as part of the 3rd Special Forces Group in Africa. SSG Black was a true American hero and our thoughts and prayers go out to his friends and family as they mourn the loss of this great man.

Enlisting in the United States Army in September of 2009, SSG Black's list of accomplishments runs long. After attending Special Forces Assessment and Selection program, he earned his Green Beret and was assigned to 2nd Battalion, 3rd Special Forces Group. HONORING MCCLURE JUNIOR HIGH SCHOOL FOR BEING NAMED A NATIONAL BLUE RIBBON SCHOOL

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mr. LIPINSKI. Mr. Speaker, I rise today to congratulate McClure Junior High School in Western Springs for receiving the prestigious 2017 U.S. Department of Education National Blue Ribbon School Award. McClure Junior High was recognized under the Exemplary High Performing Schools category.

In 1982, the Department of Education established the National Blue Ribbon Schools Program to recognize a select group of public and private schools with high or significantly improved achievement. I am proud that McClure has been honored as one of those exceptional schools.

McClure's mission statement is "Be respectful, be responsible, and be safe." Principal F. Daniel Chick, his hard-working staff, and the school's exceptional teachers do a fantastic job perpetuating this motto by encouraging students to help one another and build a foundation of respect throughout the school community. After winning a National Blue Ribbon School award in 2010, the staff at McClure and in District 101 continued to strive for success by developing a Professional Learning Roadmap and undertaking a thorough strategic planning process.

McClure has promoted student ownership of their education as well as various other programs to enrich students' lives and provide for a better school experience. A great partnership with parents has also played an essential role in the school's success. Parent-run organizations such as the Parent Council and the Spirit Club raise funds that directly impact the lives of McClure students. I commend the school for going above and beyond with their offerings for students and I hope that other schools will use them as an outstanding example to follow.

Mr. Speaker, I ask my colleagues to join me in recognizing McClure Junior High School for this significant achievement and congratulating the teachers, administrators, parents, students and community on a job well done.

IN RECOGNITION OF THE ACCOMPLISHMENTS OF THE NATIONAL COMMITTEE TO PRESERVE SOCIAL SECURITY AND MEDICARE DURING ITS 35TH ANNIVERSARY

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 7, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the National Committee to Preserve Social Security and Medicare's (NCPSSM) 35th anniversary on the day of its Anniversary Open House. NCPSSM has played a critical role in protecting Social Security and Medicare for all Americans.

With the passage of Medicare in 1965 under Title XVII of the Social Security Act, our country made a promise that seniors can age with dignity and security after a lifetime of hard work. As with the implementation of any historic program, it's important that there are organizational watchdogs that ensure our government makes good on its promise to the American people. There has been no group more committed to protecting the tenets of Social Security and Medicare than NCPSSM over the past 35 years.

Founded in 1982 by Congressman James Roosevelt, NCPSSM served as response to proposed changes to Social Security and Medicare during a time when 24/7 news programs did not exist and seniors needed to be informed and mobilized. NCPSSM works side by side with federal, state and local lawmakers to protect and build on the safety net programs that Americans of all ages depend on. Then, as it does now, the Committee provided seniors with a way to organize and make their voices heard by lawmakers as well as writing highly regarded, in depth analysis on Congressional legislation and Presidential Executive Orders regarding Social Security, Medicare, and the federal budget. These documents are invaluable in helping everyday Americans understand the real impact that legislation will have on their day to day life.

NCPSSM's efforts have been instrumental in passing bills that better the lives of seniors and that protect Social Security and Medicare. In 2016, the Committee and its members fought hard to pass the "Older Americans Reauthorization Act of 2016" which funds critical services that keep older adults healthy and independent, including job training, senior centers, benefits enrollment and caregiver support. Additionally, the Committee continues to encourage Americans from all corners of the country to participate in petitions, surveys and phone banking, with a total of over 90 million petitions and letters sent to Congress and the President to date.

Mr. Speaker, I ask my colleagues to join me in honoring the National Committee to Preserve Social Security and Medicare and its 35 years of success. Their advocacy has influenced legislation that protects the programs seniors and hardworking Americans depend on.
