

EXTENSIONS OF REMARKS

HONORING BARBARA HIGGENS

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. ROSKAM. Mr. Speaker, I rise today in recognition of the long and distinguished career of Barbara C. Higgins on the occasion of her retirement. After 19 years of dedication and commitment, she is stepping down as CEO of Plumbing Manufacturers International (PMI).

Since its founding in 1998, Ms. Higgins has nurtured and grown PMI's visibility and influence within the United States and abroad. Ms. Higgins revamped the organization from her kitchen table as its first employee. She went on to hire dedicated professional staff and significantly enhanced the association's advocacy, technical, water conservation, environmental, and trade initiatives. Today, PMI is the nation's leading plumbing manufacturing trade association representing 90 percent of all the plumbing fixtures and fittings sold in the United States.

Under her leadership, PMI has grown into an advocate for water-efficient products meeting high safety and performance standards. She was instrumental in the introduction and passage of a federal nationwide law to reduce lead in plumbing products, known as the Reduction of Lead in Drinking Water Act, which was designed to safeguard all Americans.

Mr. Speaker, please join me in celebrating this special occasion and wishing Barbara Higgins every happiness in her well-deserved retirement.

IN HONOR OF CHRIS VANDERSLICE

HON. BILL HUIZENGA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. HUIZENGA. Mr. Speaker, I rise today to honor Chris VanderSlice, who passed away on October 28, 2017 after a courageous four year battle with leukemia. Chris was a beloved educator and leader in the West Michigan community—whose legacy will never be forgotten.

Chris, or "Slice" as his colleagues knew him best, was a servant leader with Grandville Public Schools for nearly 18 years. His career began as a teacher at Grandville's Middle School and South Elementary. Chris was then promoted to assistant principal at Grandville High School, where he became principal in 2013.

A former Hope College basketball team captain, Chris brought his competitive spirit to the classroom and school district. He inspired a culture of "pride and excellence," that influenced both students and teachers. After only a short time as principal, Chris implemented professional learning communities to improve teaching techniques and accountability.

Following the initial diagnosis of acute lymphoblastic leukemia in 2013, the Grandville community quickly rallied to embrace the VanderSlice family. The swift response from the community is a touching testament to the character of Chris, his family, and West Michigan as a whole. Chris leaves behind a legacy of "grit and perseverance"—characteristics that will continue to inspire, encourage, and forever impact generations to come.

Mr. Speaker, Chris VanderSlice spent his life working to educate and better the students of Grandville, Michigan. It is thus fitting and proper that we honor him here today. I extend my deepest condolences to his wife Tonya, daughters Hannah and Elizabeth, and to all who knew and loved Chris.

HONORING THE MONTEREY COUNTY FILM COMMISSION

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. PANETTA. Mr. Speaker, I rise today on behalf of an organization that displays the unique beauty of my district around the entire world. The Monterey County Film Commission

has served my district on the central coast of California by inspiring, facilitating, and assisting in the production of media that highlights the pristine beauty, and unique culture of our community. This year, the Monterey County Film Commission celebrates its thirtieth anniversary. Since its inception, the Commission has helped attract and assist in the production of hundreds of movies, television shows, commercials, documentaries and still photography productions. Thanks to the work of the Commission, our community has benefited from over one hundred million dollars in direct financial impact in our local communities.

The Commission serves as a liaison for movie producers, government entities and local businesses. It provides substantial information about our Monterey County, and straightforward guidelines for filming procedures that facilitate the development of successful media productions. The Commission also serves our community by highlighting highly desirable Monterey County locations through domestic and international tradeshows, sales trips and direct public advertising campaigns. Beyond this, the Commission also contributes to growing the next generation of young filmmakers, and is crucial in our communities' effort to create opportunity for creative-minded young people to find success pursuing their passion.

I would also note that the Monterey Peninsula has been, and remains, home to many prominent actors including Clint Eastwood and Betty White. Clint Eastwood came to Carmel to film *Play Misty for Me*, and later become Mayor of Carmel. The Peninsula has hosted stars such as Marilyn Monroe and Barbara Stanwyck in *Clash by Night*. Over the years, the Central Coast of California has attracted over two hundred films, hundreds of television programs and countless magazine ads. Most recently, my district played home to the highly successful and critically acclaimed HBO series *Big Little Lies*, filmed on the Monterey Peninsula, largely in Monterey and Pacific Grove.

The hard work of the staff and Board of Directors of the Monterey County Film Commission continues to provide our community and our country with great films and TV shows filmed in our beautiful district. Mr. Speaker, it is my pleasure to recognize the dedication and hard work the Monterey County Film Commission has given to the Central Coast and the entire State of California. I ask my distinguished colleagues to join me in recognizing the Monterey County Film Commission as an integral part of our community.

TRIBUTE TO YOUNG STAFF MEMBERS FOR THEIR CONTRIBUTIONS ON BEHALF OF THE PEOPLE OF THE 18TH CONGRESSIONAL DISTRICT OF TEXAS AND THE UNITED STATES

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Ms. JACKSON LEE. Mr. Speaker, as Members of Congress we know well, perhaps better than most, how blessed our nation is to have in reserve such exceptional young men and women who will go on to become leaders in their local communities, states, and the nation in the areas of business, education, government, philanthropy, the arts and culture, and the military.

We know this because we see them and benefit from their contributions every day.

Many of them work for us in our offices as junior staff members, congressional fellows, or interns and they do amazing work for and on behalf of the constituents we are privileged to represent.

Mr. Speaker, I believe there is no higher calling than the call to serve a cause larger than ourselves. That is why I ran for public office. I was inspired to serve by President Kennedy who said, "Ask not what your country can do for you, ask what you can do for your country," and by the Rev. Dr. Martin Luther King, Jr. who said:

"Everybody can be great because anybody can serve. . . . You only need a heart full of grace. A soul generated by love."

By this measure, there are several other great young men and women who served as volunteers this year in my offices. They may toil in obscurity but their contributions to the constituents we serve are deeply appreciated. That is why today I rise to pay tribute to two extraordinary young persons for their service to my constituents in the 18th Congressional District of Texas and to the American people. They are: Shannon O'Quinn from Texas Tech University; and Lauren Butia from The Madeira School.

Mr. Speaker, the energy, intelligence, and idealism these wonderful young people brought to my office and those interning in the offices of my colleagues help keep our democracy vibrant. The insights, skills, and knowledge of the governmental process they gain from their experiences will last a lifetime and prove invaluable to them as they go about making their mark in this world.

Because of persons like Shannon and Lauren the future of our country is bright and its best days lie ahead. I wish them well.

Mr. Speaker, I am grateful that such thoughtful, committed young men and women can be found working in my office, those of my colleagues, and in every community in America. Their good works will keep America great, good, and forever young.

IN RECOGNITION OF THE NEW PLYMOUTH TOWN HALL

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. KEATING. Mr. Speaker, I rise today in recognition of the new Town Hall in Plymouth, Massachusetts.

On November 12th, America's hometown will be celebrating its community with the opening of the new Plymouth Town Hall. This event will be marked by a walk from the old Town Hall to the new Town Hall with everyone who contributed to this new landmark.

Construction on the new Town Hall began just two years ago, in the fall of 2015. I commend the town leadership and the residents of Plymouth for their collaboration on this community project. This would not have been possible without the dedication of all of those who were involved, from the over 40 volunteers who helped generate support for the project over local coffee and tea events, to the residents who advocated for the project at Town Meeting, to the many involved in the construction and restoration efforts. The level of planning and outreach involved in this project

serves as a powerful example of how local government working together with community members can be a tremendous success.

This project involved the restoration of the historic 1820 Courthouse. The Community Preservation Committee worked with a historical restoration team and many volunteers to return this building to its original glory. The centuries-old judge's bench in the courthouse is now set to be the new location for selectmen's meetings. Among the many 1800s-era pieces incorporated into the newly renovated building is its American Eagle Weathervane, which traveled aboard the ferry to Nantucket to be restored.

Located at 26 Court Street in the heart of downtown Plymouth, this Town Hall will be a centerpiece for the town, including during the 400th anniversary of Plymouth just a few years away, in 2020.

Mr. Speaker, I am proud to recognize the celebration of the new Plymouth Town Hall and the dedication of the entire Plymouth community.

RECOGNITION OF TOLIE BRODIE HARRISON—TRIBUTE TO HER 100TH BIRTHDAY

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. BUTTERFIELD. Mr. Speaker, I rise to honor and recognize Tolie Brodie Harrison who is an outstanding citizen in Nash County, North Carolina. Mrs. Harrison affectionately known as "Ma Tolie" will be 100 years young on December 12, 2017.

Born in 1917 during the height of World War I, Mrs. Harrison has devoted her entire life toward improving the quality of life for her community.

Mrs. Harrison and her husband, Frank Barnabas Harrison, were blessed with ten wonderful children. Education was important to the family. The Harrison's were adamant that their children would receive a proper education and encouraged them to attend college. Mrs. Harrison was also a provider and motivator by working countless hours on farms and in tobacco factories to keep her children enrolled in school. At age 45, she was employed by Abbott's Pharmaceuticals; which ensured the necessary benefits to support her family.

Mr. Speaker, many in the Nash County community can testify to the hospitality and encouragement of Ma Tolie. As a strong advocate for education, she would welcome new teachers to her home until they could find a permanent residence. For the students; she fed them, housed them, and wisely counseled them. With her many years of selfless service, Mrs. Harrison has left an indelible impression on the lives she touched. Throughout her life she has received many awards, recognitions, and praises for her contributions.

It is my high honor to offer these remarks in recognition of a great American who is an example of the highest degree of service to humanity.
