

Beyond his duties as a civil servant, he has also given back to his community in countless ways, including managing the youth Munhall Baseball League, organizing summer athletic programs, working with Boy Scouts, Girl Scouts, and church groups, and teaching local government to youth groups and schools. He is also a member of a number of community service organizations, including Knights of Columbus No. 2201, the Catholic War Veterans Association, the Homestead Elks, and the Steel Valley Salvation Army Board of Directors.

For more than 50 years, Raymond Bodnar has demonstrated wholehearted dedication to public service and community involvement, and I think that we can all learn something from his example. I wish to congratulate the mayor on his retirement and commend him for his lifetime of devotion to the Munhall community.

RECOGNIZING DR. CHERIF SADKI AS THE 2017 OUTSTANDING HIGH SCHOOL PRINCIPAL OF VIRGINIA

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 1, 2017

Mr. CONNOLLY. Mr. Speaker, I rise today to recognize Dr. Cherif Sadki, principal of Gar-Field Senior High School, as the 2017 Outstanding High School Principal of Virginia.

Each year, the Virginia Association of Secondary School Principals, which is the seventh largest school administrators' organization in the National Association of Secondary School Principals, selects a principal to represent the state as the nominee for the National Principal of the Year Program.

As the 2017 nominee, Dr. Sadki is commended for his "creativity and imagination in bringing about positive change, improving the educational program and student achievement; ensuring a school climate that reflects high staff and student morale; and for involving the community in the life of the school."

At the helm of Gar-Field Senior High School for the past five years, Dr. Sadki has implemented countless policy changes and program adjustments to address the needs of the increasingly diverse student population. Of the roughly 2,500 students enrolled in Gar-Field Senior High School last year, approximately half spoke a language other than English at home. One to never shy away from a challenge, Dr. Sadki rolled up his sleeves, transformed the teaching model, and embedded English instruction into the core curriculum to meet the needs of the diverse student body.

For his foresight, engagement of the community, and commitment to ensuring that all students receive a world-class education, it is my honor to include in the Record, Dr. Cherif Sadki.

Dr. Sadki is the standard-bearer at the regional and national level for educating English learners. He attributes much of his success in

reshaping the mission of Gar-Field Senior High School to the efforts of a supportive community, a focused group of educators, and a dedicated administrative staff. Instead of seeing students who embraced a failing attitude, he saw children who had not been given an opportunity to succeed. Dr. Sadki saw teachers who needed encouragement, training and support and a community that could be convinced that success was possible.

I ask my colleagues to join me in recognizing Dr. Cherif Sadki, principal of Gar-Field Senior High School on his selection as the 2017 Outstanding High School Principal for Virginia. His leadership and dedication to the students, teachers, and faculty as he works to ensure a bright future for all who pass through the doors of Gar-Field Senior High School is truly commendable and worthy of our highest praise.

HONORING THE ENTREPRENEURIAL SPIRIT OF MEREDITH COREY-DISCH, OWNER OF COMMUNITY LOAVES

HON. JOHN H. RUTHERFORD

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 1, 2017

Mr. RUTHERFORD. Mr. Speaker, I rise today to ask the United States House of Representatives to join me in recognizing Meredith Corey-Disch, a leader and business owner in my district, who was a recipient of a spot at the James Beard Foundation's Inaugural Class of the Women's Entrepreneurial Leadership Fellowship program. This program, hosted at the prestigious Babson College, aims to help female chefs and owners grow their businesses by cultivating women's leadership in the culinary industry.

Meredith Corey-Disch and her business partner, Sarah Bogdanovitch, are exceptional entrepreneurs. Their business was founded on the belief that it should be local, community focused space that provides organic, traditional foods with shared work and fair pay. "Community Loaves" began in 2011 in Jacksonville, as an organic bike-delivered subscription bakery. The pair then opened a bread shop in 2014, where they served all-organic bread and pastries for breakfast and lunch. They kept the business community focused by holding special pizza nights and farm to table dinners in their garden and invited surrounding neighbors to these events.

Meredith began her love of bread making through an apprenticeship in a bakery, while brainstorming ways she could start a business people would enjoy back in her hometown of Jacksonville. She can be described as thoughtful, kind, generous, and creative. With these skills, along with her passion of bread making, Meredith will continue to spread her passion throughout Northeast Florida. We need more creative small business owners like Meredith. She has been a true example of leadership for women in Northeast Florida and I look forward to seeing her future culinary successes.

Mr. Speaker, I applaud Meredith Corey-Disch for her leadership in not only the culinary community, but in Northeast Florida as well.

RECOGNIZING RED CREEK HIGH SCHOOL'S BLUE RIBBON AWARD

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 1, 2017

Mr. KATKO. Mr. Speaker, I rise today to recognize the outstanding students, faculty, and staff at Red Creek High School. The mission statement of the Red Creek Central School District is to educate students with equity, and help them master fundamental skills. I would like to commend the hard work of the Red Creek Central School District for making Red Creek High School a safe and welcoming place to learn.

The National Blue Ribbon Schools Program recognizes public and private schools based on overall academic excellence or ability in closing achievement gaps among students. Every year the United States Department of Education seeks out, and honors, schools that tirelessly work to help students grow academically. Red Creek High School is one of just 19 New York State schools to receive the prestigious "Exemplary High Performing Schools" award from the United States Department of Education this year.

Since the Blue Ribbon Award was first created in 1982, only four other schools in Wayne-Finger Lakes region have garnered Blue Ribbon status. Red Creek High School was awarded its Blue Ribbon Award this year for the strong academic performance of its student body. The teachers and administrators at Red Creek High School work hard each day to make learning exciting, and encourage their students that they can achieve their goals both inside and outside of the classroom.
