

Reading the Bible with the Founding Fathers, Dr. Daniel Dreisbach reminds us of the influential role the Bible served in the lives, thoughts and ideas of our nation's Founding Fathers.

The Bible was the most accessible book to our Founding Fathers and gave them insights on human nature, civic virtue, political authority, and the rights and duties of citizens that informed them as they formulated established the structures of government.

On a more personal level, I believe that the Bible is not simply an inspirational book or a comforting book—although it is that. But, I believe the Bible to be the holy word of God. It tells us the story of God's love for us. It is a story of redemption for those who would put their faith and trust in Christ alone.

John 3:16 tells us that "God so loved the world that he gave his only begotten son, that whosoever believeth in Him should not perish, but have everlasting life."

For me, as a follower of Jesus Christ, this is not only comforting and inspiring but it is True and the Bible is a guide for my life.

Each day—and the older I get—I am reminded of the comforting Truth in Job Chapter 19. Written centuries before the birth, crucifixion and resurrection of Jesus, we were told of our redeemer. The one who would save us.

For I know that my Redeemer lives,
And He shall stand at last on the earth;
And after my skin is destroyed, this I know,
That in my flesh I shall see God,
Whom I shall see for myself,
And my eyes shall behold, and not another.
How my heart yearns within me!
Job 19:25-27

This promise reminds me of the Lord's love for me—no matter what the circumstances of life.

Maybe it's been a while since you poured over the pages of the Bible. Maybe it's been collecting dust on a shelf. Take it down and read once again the truthful and comforting words of God preserved for us and given to us as a gift.

I thank my colleagues for reserving this time for me to join you in sharing what the Bible means to me and hundreds of millions of others across the world.
