

PERSONAL EXPLANATION

HON. LUIS V. GUTIÉRREZ

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. GUTIÉRREZ. Mr. Speaker, I was unavoidably absent in the House chamber for votes on Friday, November 3, 2017. Had I been present, I would have voted Yea on Roll Call vote 605 and Nay on Roll Call vote 606.

I was absent in the House Chamber due to travelling to the devastated island of Puerto Rico in the wake of Hurricane Maria. A vote was called on the floor for H.R. 3922 to reauthorize the Children's Health Insurance Program and other public health initiatives under the Affordable Care Act. I would have voted Nay on this legislation because this bill would raise premiums for seniors, limit benefits for Medicaid recipients and slash grace periods from 90 days to 30 days, which would result in thousands of Americans losing their healthcare. Furthermore, this bill funds a mere \$1 billion dollars to Puerto Rico in the midst of a dire crisis on the island.

RECOGNIZING DR. LAURIE GOODMAN

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize Dr. Laurie Goodman of Meridian, California, who has dedicated herself to the education, health, and safety of children. As Superintendent and Principal of the Winship-Robbins Elementary School District, Dr. Goodman has worked to implement many programs designed to serve children in need. In partnership with Sutter County Public Health, she has implemented a nutrition education and obesity prevention program which aims to promote healthy eating and exercise habits in youth.

Dr. Goodman was also an instrumental partner in the effort to establish the "Food For Thought" pilot project which works to minimize child hunger by providing families with healthy foods to take home over the weekend. Her efforts on behalf of these programs make a clear positive impact in the lives of children in her community.

Dr. Goodman's passion and commitment to the students and families of Winship-Robbins Elementary School goes beyond academic success. Dr. Goodman is truly dedicated to the complete health and well-being of each and every one of her students, and never passes up an opportunity to provide them with any help they may need.

HONORING ETHEL T. WINFIELD

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. ENGEL. Mr. Speaker, I rise today to honor a late member of the Co-op City community, Mrs. Ethel T. Winfield, who passed away this year at the amazing age of 94 years

old. Though Ethel is no longer with us, the legacy she has left with her family, friends, and the community will last forever.

Ethel and her beloved husband, Claude, lived in Co-op City and were quite active. After moving to the area in the 1960's, Ethel, a devoted Catholic, was instrumental in establishing and building the new church, St. Michael the Archangel Roman Catholic Church. While the church was being built, Ethel held services in her home at 920 Baychester Avenue.

Professionally, Ethel worked as a Sample Hand at Vanity Fair in New York City. In 1971, she received certification at the prestigious Mayer School for Fashion Design. Amazed by her skill and talent, she rose from a Sample Hand to become an Assistant Designer at Vanity Fair; the first time anyone ever received this promotion. While at Vanity Fair, Ethel was concerned with equal rights of all workers. She was a shop steward, and as a union leader, she assisted fellow workers. Ethel enjoyed designing, draping and sewing dresses. She wanted her community residents to experience wearing beautiful fabrics and well-fitted clothes. She was committed to providing designer quality fitted clothing and often said, "The small amount I charged the bride did not yield a profit for me. However, I wanted my community to feel like they were walking down a runway."

Though Ethel's story is full of inspiration, there was tragedy. In July 1957, Claude and Ethel were driving to Virginia with their son, Willie. During the trip, the car over turned in a ditch. Willie lost his life and Claude was injured badly. He had sustained internal injuries and almost every bone in his body had been broken. Ethel visited her husband for 2 years in the Veteran's Administration Hospital and never doubted her husband would live. She encouraged him to complete his therapy which included learning to use his left hand and arm to shave and complete other tasks. It was her belief and encouragement in those terribly tragic moments that gave Claude the strength to recover.

As you might imagine from hearing that story, Ethel's true passion was her family, which includes sons, Claude L. Winfield, and Siddique Ali Shahbaaz; daughter-in-laws Michelle Deal Winfield and Cynthia Ali Shahbaaz; grand children Gary Winfield and wife Rasheed Winfield, Marie Winfield and spouse Konrad Pust, Michael C. Winfield, Nikkea Winfield, Jason Winfield and Makeda Winfield; nieces Katherine Miles and Vida Hinton with cousin Janett Baughaum; and great grandchildren Sophie and Koemi Winfield-Pust. She loved each of them dearly.

Ethel Winfield lived a long and blessed life. In later years, she took art classes at the Baychester Visual Arts class on Tuesday evenings. Like many budding artist, Ethel gave away sketches and drawings, making friends along the way. That was Ethel—an artist, always thinking of others.

RECOGNIZING MRS. LYNN JEWELL

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize Mrs. Lynn Jewell of Vacaville, California, who has been a vibrant servant of our community since coming from San Antonio, Texas as one of three young daughters of an Air Force Veteran. As a youth, Lynn was active in the Girl Scouts, church groups, and the Fairfield High School Scarlet Brigade Band before graduating from California State University, Sacramento with honors. After marrying Jeff Jewell, her service member husband, Lynn became active in supporting multiple local Veteran's Groups.

Mrs. Jewell served as President of the Vacaville American Legion Auxiliary, Secretary of the Veterans of Foreign Wars Auxiliary, and served at the Vacaville Veterans' Memorial Hall as secretary, treasurer, Bingo volunteer, and co-chair of the Annual Holiday Dinners for over 20 years.

In 2006, Lynn became involved in the North Bay Homeless Veterans Standdown writing grants, raising funds, and serving as volunteer coordinator. Her passionate commitment to this program grew and she now serves alongside her husband on the Standdown Board of Directors. Lynn is the driving force of the North Bay Standdown and most everyone would say that without Lynn, the years of providing supportive services to our homeless veterans in the form of a "hand-up, not a hand-out" would not have happened.

100TH ANNIVERSARY OF CLIFTON

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the outstanding achievements of the great City of Clifton as it celebrates its 100th Anniversary on November 4, 2017.

On April 26, 1917, the City of Clifton was carved out of Acquackanonk Township and incorporated by an act of the New Jersey legislature. Named after the towering cliffs of Garret Mountain, Clifton is composed of many endearing neighborhoods. They are Albion, Allwood, Athenia, Botany Village, Delawanna,

Dutch Hill, Lakeview, Main Mall, Montclair Heights, Richfield, Rosemawr, Styertowne, West Clifton, and Yanticaw Pond. Just as Clifton's geography is diverse, so too are its citizens. Clifton's 84,136 residents speak over seventy languages and trace their heritage to all parts of the world.

Today, we thank those who played a part in the founding of the city, and those leaders who guided the city in the years that followed. Since 1934, Clifton has been governed by a City Manager and seven City Council members, one of whom is selected by his or her colleagues to be Mayor. The residents of Clifton are some of the most involved citizens, and make their voices heard by electing all members of the City Council.

Mayor James Anzaldi has served in his current position for 27 years, making him the city's longest tenured mayor. His love for his hometown and dedication to public service set remarkable examples for all Cliftonites to follow.

Students at Clifton High School boast their "Mustang Pride" in the classroom and at competitions throughout the North Jersey area. Mustang varsity sports teams have won multiple state championships throughout the decades, and the Mustang Band has been dazzling crowds since the 1930s. The band has earned such a reputation that it has been nicknamed, "The Showband of the Northeast."

The City of Clifton has been essential to the growth and development of Passaic County and the State of New Jersey overall. After the closure of the Morris Canal in 1924, Clifton began a mission to rapidly modernize. Over the next few decades, shopping centers, hotels, roads, and other vital infrastructure were built at a remarkable rate. By 1952, Clifton was designated as New Jersey's fastest growing city. The city continues to champion economic progress and development today.

It is my great honor to represent the residents of Clifton in the United States Congress. This is a city where people work hard to support their families, improve their community, and honor their history. When I visit my neighbors in Clifton, I never cease to be inspired by acts of ingenuity, compassion, and good will. I can always count on Cliftonites to be some of the friendliest constituents in my district, and the country as a whole.

The job of a United States Congressman involves much that is rewarding, yet little compares to recognizing and commemorating 100 years of rich history in Clifton, New Jersey.

Mr. Speaker, I ask that you join our colleagues in celebrating 100 years of service, dedication, and excellence from the residents of Clifton.

IN RECOGNITION OF THE DUFFY HEALTH CENTER

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. KEATING. Mr. Speaker, I rise today in recognition of the 20th Anniversary of the Duffy Health Center.

The Duffy Health Center has been serving as Barnstable County's primary health care provider for homeless adults since 1997. What started as a small volunteer organization in

1988 has now turned into a major pillar of this community, working to serve the homeless men and women of Cape Cod.

This clinic is made up of an incredible group of people that are working tirelessly to better the Ninth Congressional District. Over the past twenty years they have helped those suffering from addiction, mental health issues, and other serious medical problems find their way to applying for master's degrees, retaining full-time employment, and building new lives. They have provided vital assistance to people trying to apply for benefits, receive counseling, or find a support group.

By treating people with dignity and respect, the hope they have restored in countless members of our community is unparalleled.

Mr. Speaker, I am proud to honor the 20th anniversary of the Duffy Health Center for their dedication to bettering their community. I ask that my colleagues join me in thanking them for their invaluable service and wishing them all the best in the many years to come.

RECOGNIZING MS. MIRIAM MILLER

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize Ms. Miriam Miller of Woodland, California, who has spent many years serving her community and truly loves volunteering. In years past, Ms. Miller has worked to revitalize the Woodland Downtown area through a program called "Main Street" and helped facilitate renovations to the Woodland Opera House State Historic Park. While working to bring Woodland's facilities into the future, she also worked to ensure her community never lost sight of its history. Ms. Miller was instrumental in the running of the Yolo County Historical Museum, worked as a docent at the museum and historical Opera House, helped others research their own history, and to this day still helps put out the Woodland Historical Society newsletter. If there was an opportunity to serve the Woodland community, Miriam Miller seized it.

Ms. Miller's service and volunteerism was not limited to her community of Woodland. She traveled the world with her husband as he served in the U.S. Navy and State Department, supporting him and caring for her family. During World War II, Ms. Miller became very aware of the injustice of Japanese internment camps, leading her to live a life in support of immigrants and social justice. Ms. Miller has housed refugees in her home and made them a part of her family. She continues to fight for immigrant and refugee rights. Ms. Miller is dedicated to the betterment of her community, locally, nationally, and internationally.

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. KRISHNAMOORTHY. Mr. Speaker, today I remember and honor the life of Sruthi Srinivasan who unexpectedly passed away on October 24th this year at the young age of 34.

So many people knew Sruthi's passion for design and her amazing ability to dance. Sruthi's laugh, smile and warm soul could light up a room. She was easy to love and will be missed beyond measure, not only in the community of Downer's Grove, but across the nation.

Sruthi was known as an incredible designer at her work with Ted Moudis in New York and was successful in the variety of roles that she had in the design industry. She was generous, kind, and her spirit was infectious.

The Srinivasans and my family have known each other for decades, and they are all cherished friends. Mr. Speaker, I hope we might all keep in our thoughts and prayers the Srinivasan family and friends as they mourn their loss. In that spirit, I celebrate Sruthi's life and think about what an impact that life made on so many people.

IN HONOR OF WILLIAM M. FLY

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. BRADY of Texas. Mr. Speaker, on November 13, William M. Fly will celebrate his 100th birthday in a newly refurbished home thanks to the selfless efforts of volunteers from across the country, responding to the damages caused by Hurricane Harvey.

Over the course of a century, Bill, as his friends and family know him, has traveled the country and the world, but his home has always been in the State of Texas.

Following his graduation from the University of Texas in 1940, Bill joined the U.S. Army Air Force, where he served honorably as a First Lieutenant in the European Theater of the Second World War.

Upon completing his time in the service, Bill and his wife, Mary Beth, moved to Houston, TX, where he began a thirty-seven year career in the oil and gas industry. Despite moving to
