HONORING RACHEL RADNA

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. ENGEL. Mr. Speaker, it is my pleasure to recognize a member of the Riverdale Temple community, Dr. Rachel Levi Radna, who this year is being honored by the Temple at their annual Gala Dinner.

Rachel was born in Tel Aviv, Israel. She moved to the United States with her family when she was 12 years old. Rachel attended George Washington High School and then Hunter College in the Bronx for her undergraduate degree. She went to CUNY for her doctoral degree in Biochemistry. While at Hunter, she met her husband, Dr. Richard Radna, with whom she has three wonderful children, Rudolph, Rebeka, and Raphael. She recently became a grandmother to Rebeka's baby son, Julian Avi. Rather than pursuing a career in Biochemistry, Rachel managed her husband's Neurosurgical Practice, as it allowed her to take care of her family. Rachel's family is the legacy that she has created, and they are her true pride and joy.

Rachel was not a regular worshiper until she started to go to services at Riverdale Temple. There was something at Riverdale Temple that sparked a light in her that continues to shine. She went from congregant to member of the Board of Directors, and she has been the President of the Congregation for the past 10 years. With such continuity, Rachel is the glue that seems to keep the Temple held together. She has worked closely with Rabbi Lewis and, most recently, Rabbi Gardner. When the clergy are on vacation in the summer, Rachel coordinates and leads lay-led services, at which she often functions as both Rabbi and Cantor.

Aside from her involvement in Riverdale Temple, Rachel loves to knit, bake, and cook. She enjoys opera, karaoke, Israeli music and dancing. Her favorite part of being President is being on the Bimah during these past 10 years and watching our religious school children grow to become B'nai Mitzvah. She is also the co-President of the Riverdale Temple, a wonderful honor in and of itself.

Rachel has done so much for our community and is most deserving of this recognition. Congratulations to her on receiving this great honor.

CELEBRATING KEISER
UNIVERSITY'S 40TH ANNIVERSARY

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. HASTINGS. Mr. Speaker, I rise today to honor Keiser University on the commemoration of their 40th anniversary, which they will celebrate on November 10, 2017.

Keiser University was founded in 1977 by Dr. Arthur Keiser and his mother Mrs. Evelyn Keiser, in Fort Lauderdale, Florida. By establishing Keiser University, Dr. Keiser and Evelyn sought to provide individuals the necessary educational tools for successfully navigating their chosen careers.

Over the past 40 years, Keiser University has been a shining example of what one can achieve through hard work and dedication. It has grown to become the third largest not-for-profit university in Florida, bolstering 66,000 alumni, over 100 degree granting programs, and 18 campuses across the state. Keiser University has even stretched beyond U.S. borders, establishing campuses abroad in Nicaragua, Moldova, and China.

Throughout my tenure in Congress, I have watched Keiser University grow and expand its reach. Today, it has an annual economic impact of approximately \$3 billion in Florida, while benefiting our residents with over 30,000 direct and indirect jobs each year.

Keiser University's philosophy of putting students first and treating them as individuals is to be commended. Their diverse student body includes veterans, first-generation students, parents, caregivers, and students who have already joined the workforce. Keiser University provides the skills necessary for students to be successful within our global economy, while maintaining flexibility through an impressive online curriculum, which allows non-traditional students the ability to access the quality education they rightly deserve.

Mr. Speaker, I want to commend Keiser University's co-founders and family, Dr. Arthur Keiser, his mother Mrs. Evelyn Keiser, and Ms. Belinda Keiser, and the independent Keiser University Board of Trustees, for their enduring commitment to providing students with a superior education. Over the past 40 years, Keiser University has proven itself to be a home for quality higher education, and a source of great pride to the people of Florida. I am truly honored to represent Keiser University in my Congressional district, and wish them many years of continued success.

RECOGNIZING ALL SAINTS' EPISCOPAL CHURCH OF WOODHAVEN, QUEENS ON THEIR 120TH ANNIVERSARY

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Ms. VELÁZQUEZ. Mr. Speaker, I rise today to recognize All Saints' Episcopal Church of Woodhaven, Queens on their 120th Anniversary. This longstanding place of worship has a rich history as a congregation that embraces diversity and community service.

All Saints held its first service and Sunday school at a store-front in Richmond Hill, Queens on November 26, 1897. Initial offerings collected by the service totaled \$22.00, which became the initial contribution towards the purchase of a permanent church. A few years later, the church laid its first cornerstone on Lefferts Blvd., where it served for more than a century.

The Church has a long history of providing guidance and comfort to new arrivals and families faced with hardship. For decades, All Saints enjoyed the leadership of Rectors dedicated to its parishioners and the greater community. Later on, the former St. Matthew's Church, a beautiful gothic revival building became its new home.

Today, All Saints is a bedrock of the Woodhaven community. The Church continues to provide spiritual and physical comfort by offering social and community services. Initiatives like the senior lunch program, youth projects, the St. Hilda's Guild women's outreach program, and the Community Cemetery Project all promote fellowship.

Mr. Speaker, our churches, temples, and mosques are the cornerstones of our communities, the bedrock on which our faith, values, and sense of purpose rest. On this special occasion of its 120th year anniversary, I congratulate the All Saints Episcopal Church congregation and wish them many more years of service.

BALFOUR DECLARATION

HON. LEE M. ZELDIN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. ZELDIN. Mr. Speaker, I rise today to commemorate the centennial anniversary of the Balfour Declaration and the significance it played in the formation of the state of Israel.

This significant sixty seven word statement, that came to be known as the Balfour Declaration, was the stepping stone in the reformation of a modern Jewish sovereign state. It was the first public recognition addressing the need to recognize the rebirth of a national home for the Jewish people and their historical link to the land of Israel. This concept was later reaffirmed by the international community at the Treaty of Sevres, San Remo, League of Nations and United Nations. This declaration represented the Jewish peoples' strong desire to return to their eternal homeland. This deep passion gave the Zionist movement widespread international recognition that few movements have ever seen.

In 1922, the United States Congress passed a joint resolution, the Lodge-Fish Resolution, which committed the United States' support of the establishment of a Jewish State, by reproducing the exact text of the Balfour Declaration.

Mr. Speaker, Israel has since become one of the United States' greatest allies and hopefully the bond between our two great nations will only continue to grow stronger.
