

IN MEMORY OF DR. JACQUELINE
BOLDEN BECK

HON. AL LAWSON, JR.

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. LAWSON of Florida. Mr. Speaker, I rise today to pay tribute to an educator par excellence, university administrator, trailblazer and community servant, Dr. Jacqueline Bolden Beck, who died on Tuesday, October 31, 2017, at the age of 86.

Dr. Beck was born and raised in Gulfport, Mississippi. After completing her high school education, she went on to Dillard University where she graduated as an honor student receiving a Bachelor of Science degree in Nursing in 1955. She continued her education at the Indiana University, where she received her Master of Science degree in Nursing in 1958. Later, Dr. Beck would complete her Ph.D. studies at the University of Florida earning a Doctorate of Education in Curriculum and Instruction in 1976.

Dr. Beck and her late husband, Dr. James Beck who she married in 1957, both joined the faculty at Florida A&M University (FAMU) in 1958. She rose quickly through the faculty ranks, first as an instructor, then Assistant Professor, followed by Associate Professor and Acting Dean of the School of Nursing.

In 1978, FAMU's former president, Walter L. Smith, Ph.D., entrusted Beck with developing the proposal that led to the creation of the School of Allied Health Sciences in 1982. Beck served as the founding dean of the School of Allied Health Sciences until 2000.

During her time as Dean, the School of Allied Health Sciences received more than \$13 million in extramural funding from Federal, State, and local agencies. The school evolved from two divisions, the Division of Medical Records Administration and Physical Therapy to five divisions, offering bachelor's degrees in cardiopulmonary science, healthcare management, health information management, occupational therapy and physical therapy and a master's in physical therapy by 2000. Additionally, the school's programs were all accredited by their respective accrediting bodies and were sought after by students from across the country.

Upon her retirement as Dean, Dr. Beck was appointed to the rank of Professor Emeritus. To commemorate her many contributions and dedication to the University, in 2007, the building that houses FAMU's Allied Health Sciences programs (Lewis-Beck Building) was named in her honor along with the late nursing school dean Margaret Lewis, Ph.D.

She served on numerous boards and commissions including the Pew Health Professions Commission, Board of Directors of ASAHP, Board Member of the National Society of Allied Health, College of Health Deans Group, Board of the National Society of Allied Health Journal and as a member of the State-Wide Allied Health Articulation Task Force, appointed by the Florida Commissioner of Education.

Dr. Beck was the recipient of the Cultural Pluralism Award by the Association of School of Allied Health Professions and in 2005, she was awarded the Honorary Doctorate of Humane Letters from the State University of New York, Down State. Dr. Beck was also very ac-

tive in the Tallahassee community where she served in many organizations and on the boards of numerous community service groups.

Throughout the ensuing decades of her life and career, she fashioned a powerful place in higher education and influenced the thinking of generations of young people. Driven by an enormous heart and keen intellect, Dr. Beck worked her entire life to give the opportunity of education to young people who had the will to cease it.

Mr. Speaker, with an unwavering dedication, strong values, and an avid pursuit of "leveling the playing field" in higher education, Dr. Beck made a tremendous impact in her community, the state of Florida, and the nation. We must honor her life and legacy by keeping hers a torch kept lit.

**WAY TO GO EDINA TENNIS
CHAMPS**

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. PAULSEN. Mr. Speaker, I rise to congratulate the Edina Girls Tennis Team on winning the Minnesota State Championship Title.

The Hornets won the state finals with seven wins in seven contests. Sophomore Nicole Copeland and Senior Sophia Reddy both beat their opponents in two straight matches, clinching the victory for Edina in a decisive fashion.

This was a big year for the Hornets. Edina has won the state championship in girls tennis in 20 out of the last 21 years, a tremendous feat by any standard. Many of the matches in this year's tournament were decided by one point. They know what it's like to play under pressure and still clinch a victory.

Mr. Speaker, the Hornets' victory is a tribute to their hard work throughout the season and their ability to play under pressure. And most importantly, I commend these student athletes, who have also excelled in the classroom and our community.

Congratulations again to Coach Steve Paulsen and the Edina High School Girls Tennis Team. Their families, teachers, friends, neighbors, and our entire community are very proud to call them state champs.

**SERVICEMEMBER FAMILY BURIAL
ACT**

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. CORREA. Mr. Speaker, currently, spouses and dependent children of active-duty servicemembers may be buried in a VA national cemetery if predeceased by the servicemember. However, if the spouse or dependent child passes away before the servicemember, current law does not explicitly authorize their burial.

Since becoming aware of this gap in their burial authority, the National Cemetery Administration has been processing requests for burial of spouses and eligible dependent children

of active duty servicemembers in a VA national cemetery on case-by-case basis, using a designation of discretionary authority.

Today, I am introducing the Servicemember Family Burial Benefits Act to address the ability of the Department of Veterans' Affairs to bury an active-duty servicemember's loved ones if they pass away before the servicemember. My legislation will allow active duty servicemembers to bury their spouse or eligible dependent child, if they choose, in a VA national cemetery and authorize VA to provide headstones and markers for spouses and eligible dependent children. Finally, the language will allow state and tribal veterans cemeteries to provide this benefit in the same manner as VA national cemeteries. This legislation will allow active duty servicemembers the opportunity to choose to bury their loved one, lost while the servicemember is serving our nation, in a VA national cemetery. At their own time of need, servicemembers will have the option to be buried in a national cemetery with their loved ones.

**CELEBRATING THE CAREER OF
U.S. CAPITOL POLICE SERGEANT
JOEL HOBBS**

HON. GREGG HARPER

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 9, 2017

Mr. HARPER. Mr. Speaker, I rise to celebrate the career of U.S. Capitol Police Sergeant Joel Hobbs, who is retiring in November after twenty-seven years with the force.

Since 2014, Sergeant Hobbs has served in the Criminal Investigations Section. He was responsible for supervising investigations for criminal offenses occurring on Capitol Grounds, such as assaults, stolen property, thefts, and fraud, among other offenses.

Prior to his promotion to Sergeant, Sergeant Hobbs served over 20 years on the Patrol Division. The Patrol Division is responsible for providing police services on a 24-hour basis, and security services designed to protect Congress, its employees, visitors, and property under the jurisdiction of Congress. As a Patrol Division Officer, Hobbs became recognized as a subject matter expert in areas involving arrest procedures, crime scene search, report writing, among other areas.

Sergeant Hobbs has accumulated numerous awards and recognitions from USCP and the Congressional Community throughout his career. As an officer and supervisor, Sergeant Hobbs has embraced every assignment given to him, and has had a positive impact everywhere he has been.

The U.S. Capitol Police play an extraordinarily important and often-overlooked role in the functioning of our nation's democracy. Without the safe and secure space they provide, lawmakers would be unable to conduct the American people's work and carry out our functions under the Constitution. All of us who serve in Congress hold the U.S. Capitol Police and its personnel in high esteem, and we are grateful for those who put on its uniform every day.

I hope my colleagues will join me in thanking Sergeant Joel Hobbs for his almost three decades of service to the U.S. Capitol Police, to the Congress of the United States, and to
