The productive and frank conversations facilitated by these organizations is a tribute to both these nonprofit leaders and their members.

Bucks County is made a better place because of the amazing people we have committed to our nonprofit community. We thank them for giving their time, their energy, and their passion in serving a cause bigger than themselves.

HONORING THE LIFE OF JEREMIAH GRANT

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, today I rise to congratulate a group that I have worked with for some time, the Jersey City H.O.N.E.Y. Bees Double Dutch team for their big wins at the American Double Dutch League's 44th international competition.

But tragedy intervened. Sadly, on October 28, one of the H.O.N.E.Y. Bees passed away. I ask my colleagues to join me in honor and remembrance of the life of Jeremiah Grant.

Jerry was a student at the Ollie Culbreth Jr. School in Jersey City, New Jersey. He excelled in academics and in the world of competitive jump rope. At only 8 years old, Jerry was the youngest member of the H.O.N.E.Y. Bees. He was also the only boy on the team and was called Prince Bee. Jerry was a winner, and his legacy of love will live on in north Jersey.

May Jerry "Prince Bee" continue flying high in eternal peace.

CHIP AND COMMUNITY HEALTH CENTERS

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Mr. Speaker, I rise today to speak in favor of H.R. 3922, the Community Health and Medical Professionals Improve Our Nation Act. This legislation reauthorizes the Children's Health Insurance Program—or CHIP, as we know it—as well as funding for community health centers in a fiscally responsible manner.

These programs have proven to be a valuable asset for many of the people in this country and many of the constituents that I have back home in Louisiana who don't qualify for Medicaid but still need assistance in accessing affordable health insurance.

In Louisiana alone, insurance providers have projected that rates will increase substantially next year as healthcare options continue to dwindle. For that reason, many Americans are choosing to forgo healthcare cov-

erage altogether rather than suffer under the weight of the new, increased costs.

In times of high uncertainty in our healthcare system due to ObamaCare, this legislation makes meaningful reforms to ensure the most vulnerable among us, our children, remain protected.

The Community Health Center Fund has proven to be a critical resource for Louisiana's Fourth Congressional District by delivering much-needed resources to my local community health centers.

I just want to say this program, in particular, is vitally important for the safety and security of our children. Republicans in Congress have worked tirelessly to draft this legislation to ensure that this bill maintains important safeguards for our children and families and protects their access to critical care.

SAFE PEDESTRIAN AND BICYCLE PATHS

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESPAILLAT. Mr. Speaker, I rise today to express my greatest sorrow for the New Yorkers, their families, and visitors who were affected by the tragedy in Lower Manhattan just 2 days ago. I offer my sincere condolences and prayers to their family members.

After this senseless and indiscriminate attack, Mr. Speaker, we cannot wait for another tragedy to pass before we decide to better protect pedestrians and bicyclists, especially in areas of high foot traffic.

The sidewalks and bike lanes of Times Square, the Financial District, and other city centers nationwide remain vulnerable. The STOP Act is a bipartisan bill that I have introduced, along with my colleague Congressman DAN DONOVAN from New York, just this last month and was recently introduced by Senator GILLIBRAND in the Senate.

As we saw in Charlottesville, Barcelona, and in Times Square months ago, vehicles are increasingly utilized in terror attacks worldwide. We must prioritize the safety of our constituents first, including the safety of pedestrians and of our communities. The STOP Act will provide for the installation of bollards in areas of high foot traffic.

This attack does not define New York, just as no other attack can crush the spirit of our city. We rise above those threats when we continue being a city that embraces people of all cultures and teaches love and respect.

RECOGNIZING RACHEL CHAMPNEY

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to recognize Rachel Champney, a markswoman who was recently awarded the 2017 Rimfire World Championship title in the ladies limited division.

A 15-year-old sophomore at Vernon-Verona-Sherrill High School, Rachel began shooting only 2 years ago but has developed a deep love and respect for the sport. She learned how to shoot through local marksmanship programs before being encouraged to compete nationally by members of the Trenton Fish and Game Club. Now, Rachel can fire through six targets with deadeye accuracy in under 3 seconds.

With Rachel's success has also come a passion to share her advocacy for gun safety. Rachel spends her free time teaching new shooters, including her family and friends, proper firearm safety measures. As Rachel grows as a markswoman, she continues to grow as a community leader.

Congratulations on this amazing accomplishment, Rachel, and I hope to have the honor of shooting with you in the near future.

CALLING FOR CHIP REAUTHORIZATION

(Mr. MCEACHIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCEACHIN. Mr. Speaker, today I rise to speak on the importance of reauthorizing the Children's Health Insurance Program, commonly referred to as CHIP.

In my home State of Virginia, there are 66,000 children and 1,100 pregnant women who rely on CHIP. Almost 6,000 of those children and pregnant women live in my district. They need a clean reauthorization of CHIP. Instead, this week, we are expected to vote on a bill that will put my constituents at risk.

As reported from committee, this new version of CHIP, the so-called HEALTHY KIDS Act, is loaded with poison pills that would undermine the Affordable Care Act, Medicare, and Medicaid. According to the Georgetown University Center for Children and Families, CHIP with Medicaid boosted the rate of children's health coverage to more than 95 percent.

Mr. Speaker, why tamper with such success? I urge my colleagues on the other side of the aisle to bring a bill to the floor that reauthorizes CHIP and supports our constituents.

TAX REFORM

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Mr. Speaker, today House Republicans introduced H.R. 1, the Tax Cuts and Jobs Act.

This day has been a long time coming. Since Republicans gained the majority in 2011, there have been numerous congressional hearings and briefings, feedback from constituents on
