HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 1, 2017

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize Mr. Albert O. Orta for his selfless service to our nation.

Albert Orta's extensive career began in 1947 after completion of his entry level training at Lackland Air Force Base as a member of the United States Air Force. There, he tracked and noted weather cycles. Soon thereafter, he was promoted to work on the base's radar and communication equipment as an electronics technician.

After his service with the United States Air Force, Mr. Orta continued to serve his country as an engineer with the United States Department of Defense at Lackland Air Force Base.

His talents for engineering were well recognized and his responsibilities increased. Early in his career, he found himself traveling to well over fifty countries briefing Commanding Generals and U.S. Embassy Ambassadors on communicative data and command post installation projects on behalf of the United States Military. His missions took him to Europe, the Philippines, Indo-China and to countries in Africa and South America, just to name a few.

Mr. Orta also worked on military aircraft as a radar engineer and found himself assisting on the improvements and installation of radar systems in the early B series military aircraft: B29, B36, B47 and B52. Mr. Orta's work was so noted as a leader and accomplished engineer that he was assigned to equipping and testing radar systems in the early F series military aircraft: F84, F86A, F89, F102 and F106. His proud accomplishment was his role as the lead engineer in the development and installation of new radar technology for the United States Air Force's F102 Delta Dagger, a \$6 million project at the time of his assignment.

Mr. Orta's outstanding accomplishments and his willingness to serve our nation faithfully and to the best of his abilities in all positions was recognized by President Jimmy Carter and a host of Generals and Ambassadors acknowledging his incredible service to our nation through his work with the U.S. Department of Defense.

Albert Orta and Mary Louise Guerrero married in June of 1949 and are blessed with 12 children, 31 grandchildren, and 29 great-grandchildren. Throughout his career and travels he recognized that sharing stories of his travels were important life lessons. There is no greater devotion of a father who returned home from a mission to share the experiences he encountered of a different life, different culture and hardships to emphasize the importance of hard work, the importance of quality education, to learn to be resilient and to appreciate the freedoms we enjoy today. He stands proud that his children and grandchildren are successful in their own professional careers; some educators, leaders in the private industries, medical field, financial advisors, some with a heart for public service and some who proudly served our country in the military.

Mr. Speaker, I ask my colleagues in the United States House of Representatives to join me in honoring Albert O. Orta for his distinguished career and his proud service to our country; and to Mary Louise Orta for her service in standing alongside her husband, supporting him and their family throughout his missions.
