

items like bars, boxes, and balance beams, around Lake Petocka in Bondurant. After going through the approval process with the city and raising the \$1,600 from friends and local organizations, Cole led a team that installed the equipment last October, and has already seen people using them. He completed his Eagle Scout journey at the young age of 14, years younger than most Eagle Scouts earn their ranking. The work ethic Cole has shown in his Eagle Scout Project and throughout his scouting career speaks volumes about his commitment to serving a cause greater than himself and assisting his community.

Mr. Speaker, the example set by this young man and his supportive family and community demonstrates the rewards of hard work, dedication, and perseverance. I am honored to represent Cole and his family in the United States Congress. I ask that my colleagues in the United States House of Representatives join me in congratulating him on obtaining the Eagle Scout ranking and in wishing him nothing but continued success in his future education and career.

HONORING SCOTT RASMUSSEN

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 2, 2017

Mr. HUFFMAN. Mr. Speaker, I rise to pay tribute to Scott Rasmussen, an important member of my team for many years who will be leaving my office after this week to travel and pursue his varied interests.

Scott is a native Californian who graduated from Brown University in 2010, then returned to the Bay Area where he worked in the areas of law and technology. I was soon fortunate to have him join my campaign team, where he demonstrated the confidence, intellectual curiosity, diligence, and political instincts that have served him so well over the years I have known him—and which I am sure will continue to bring him success in the future.

Scott helped to form the initial core of my congressional staff in 2013, showing a willingness to pitch in and cover any topic that was thrown to him, from answering phones to tackling policy questions. Over the ensuing years, Scott has taken on new roles and regularly delivered results for my constituents and the planet. Notable successes include the passage of the Point Reyes Coast Guard Housing Conveyance Act, which will allow a former property in West Marin to be repurposed as affordable housing and community space, and his work on our successful bipartisan effort to strike a nearly half-century old congressional earmark that cost taxpayers millions of dollars each year to ship Pennsylvania coal 3,000 miles to American bases in Germany.

With diligence and finesse, Scott has helped to develop a number of key legislative initiatives, and his intellect and maturity have allowed me to entrust him with sensitive foreign policy matters as well. Major projects have included my work to expand broadband access to rural communities, and our ongoing efforts to make sure that homeowners are protected from an unexpected tax bill when they work to reduce water use. Finally, he has worked on the tribal policy portfolio that is a priority in my

office, helping to devise several complex and meaningful bills for the tribal members I represent.

For six years I have had the benefit of Scott's good work, and I am deeply appreciative. Along with my family and my staff, I wish Scott the best of luck as he moves on to the next phase of his career.
