

the Middle Atlantic-Great Lakes Organized Crime Law Enforcement Network, and the Regional Information Sharing Systems Program.

Last month, I had the opportunity to tour the MAGLOCLEN site in my district in Newtown, Bucks County, Pennsylvania. As one of six regional centers, they serve Delaware, Indiana, Maryland, Michigan, New Jersey, New York, Ohio, the District of Columbia, and Pennsylvania, as well as England and parts of Canada. Their work is integral to keeping local, State, and Federal law enforcement agencies informed and equipped with the tools they need to do their jobs and to keep us safe.

MAGLOCLEN and Regional Information Sharing Systems have supported law enforcement agencies for a combined 40 years. In 2016 alone, in Pennsylvania, MAGLOCLEN saw 299 requests for criminal investigative research assistance.

MAGLOCLEN's holistic approach embodies the best of what an integrated information sharing system can offer to other local, State, and Federal law enforcement agencies.

Mr. Speaker, we are proud of the work MAGLOCLEN does operating on behalf of the Regional Information Sharing Systems Program in my district. We are here to support them and their mission to support our law enforcement community.

#### HONORING WORLD WAR II HEROES

(Mr. PITTENGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTENGER. Mr. Speaker, on Saturday, I had the privilege of honoring six World War II heroes at VFW Post 2423 in Indian Trail, North Carolina. Each hero was awarded the French Legion of Honor Medal by the French consul. They were:

Charles Richardson, who flew 35 combat missions aboard a B-17 over France, the Netherlands, and Germany. Andrew McMahon received the Purple Heart while fighting to liberate France.

William Rachui helped liberate Rome and southern France while earning five Bronze Service Stars.

James Crump landed at Omaha Beach on D-day and received two Bronze Stars and three Purple Hearts.

Aster Rider landed at Omaha Beach on D-day. As a rifleman on the front lines, he was one of only a handful of soldiers to survive.

Harold Granger landed at Utah Beach on D-day. He helped save lives by finding and disarming landmines.

Mr. Speaker, I ask all of my colleagues to join me in thanking these brave patriots for their service to the United States and the cause of liberty.

#### REPUBLICAN TAX PLAN

(Ms. ADAMS asked and was given permission to address the House for 1 minute.)

Ms. ADAMS. Mr. Speaker, today I rise for the people of North Carolina's 12th Congressional District, to stand up for the opportunities our community needs, and to reject the "billionaires first" Republican tax plan.

This tax plan fails to hear the American people. It gives tax cuts to corporations on the backs of the middle class.

Last week, I sent a letter to the Ways and Means chair and to Speaker RYAN outlining the 12th District's tax priorities and urging the inclusion of education-related deductions.

Republicans refused to hear the call, so this week I announced my education tax package. This series of amendments includes reinstating the tax-exempt status of private-use bonds used to build infrastructure and affordable housing; reinstating the State and local tax deduction, protecting the funds used to pay for schools, community development, and public safety; reinstating the student loan interest tax deduction; repealing the tax on tuition waivers and student stipends; and incentivizing investments in STEM education.

Communities across the Nation need the increased access to upward mobility, and education, the great equalizer, is the place to start.

I urge my colleagues to support my amendments to make education accessible for all students.

#### RECOGNIZING TRACY BECKER FOR RECEIVING THE KEYSTONE AWARD

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Tracy Becker on being awarded the 2017 Keystone Award, which is the highest honor bestowed by the Pennsylvania Association of Chamber Professionals. Tracy Becker is executive director of the Clarion Area Chamber of Business & Industry.

The Keystone Award was established in 1963 to recognize outstanding service in and contributions to the profession of chamber management in Pennsylvania. The award is not presented annually but only when an individual has merited such recognition.

Tracy is just the 24th person to receive this award since its inception 54 years ago. She was nominated by her staff, the Clarion Chamber board members, and fellow members of the Pennsylvania Association of Chamber Professionals.

Tracy began her chamber career in 1987, and she has dedicated her life to the betterment of the community. She has been with the Clarion Area Chamber of Business & Industry for more than 30 years, 13 of those as executive director.

Mr. Speaker, I wholeheartedly congratulate Tracy Becker on this pres-

tigious honor and thank her for making her community a better place to live and work.

#### UNIVERSITY OF TENNESSEE COLLEGE OF LAW'S LEGAL CLINIC CELEBRATES 70TH ANNIVERSARY

(Mr. DUNCAN of Tennessee asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNCAN of Tennessee. Mr. Speaker, I rise today to congratulate the University of Tennessee College of Law's Legal Clinic on its 70th anniversary. The UT Legal Clinic is a national leader in clinical education.

The clinic has been ranked one of the top 10 legal clinical programs among public universities and 19th among all U.S. law schools. The UT Legal Clinic was founded in 1947, by Professor Charles Miller, and is the longest, continually existing legal clinic in the country.

The clinic provides law students many opportunities to learn by doing. This approach prepares students for both the practice of law and providing legal services to the underprivileged. The work at the clinic has further advanced the cause of justice by serving thousands of indigent clients who cannot afford legal representation.

I want to honor and congratulate the UT College of Law's Legal Clinic on its 70th anniversary and thank it for its honorable service to the legal profession, the people of the State of Tennessee, and to the entire Nation. I wish only the best for the Legal Clinic in future years training and educating outstanding law students.

#### THE MEDIA CAUSE POLITICAL DYSFUNCTION

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, a recent Washington Post University of Maryland poll asked Americans whom they blame for causing dysfunction in the U.S. political system.

It is no surprise that 88 percent of respondents said the news media caused some or a lot of the dysfunction. Given that the liberal media unfairly blames President Trump for nearly all the problems in our country, they bear the burden of this dysfunction.

Months of liberal biased reporting have shredded the media's credibility in the eyes of most Americans. The media should report the facts objectively. That begins with fair coverage of the President and his administration. So far this year, the media has been anything but fair.

According to a new Harvard study, media coverage of the President's first 100 days was 80 percent negative, a

record for recent Presidents. Until the media becomes less slanted, they will continue to be a source of dysfunction in our political system.

The SPEAKER pro tempore. The gentleman from Alabama is recognized for 1 hour.

Mr. BYRNE. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentlewoman from New York (Ms. SLAUGHTER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

## GENERAL LEAVE

Mr. BYRNE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alabama?

There was no objection.

Mr. BYRNE. Mr. Speaker, House Resolution 616 provides for consideration of H.R. 2874, the 21st Century Flood Reform Act, and the conference report to accompany H.R. 2810, the National Defense Authorization Act for Fiscal Year 2018.

H.R. 2874, the 21st Century Flood Reform Act, reauthorizes the National Flood Insurance Program for 5 years, introduces great private market competition, and provides additional reforms to benefit policyholders and taxpayers.

Mr. Speaker, the Office of Management and Budget has said that the National Flood Insurance Program, or NFIP, is not fiscally sustainable in its current form. The 21st Century Flood Reform Act helps transition it to a more sustainable program.

Importantly, the bill will help foster a robust product market for flood insurance, which allows private insurers to compete, in turn, driving down the price of policies while creating greater consumer choice. This is a win for policyholders and taxpayers alike.

Representing Alabama's Gulf Coast, it is important to me and my constituents that they have access to affordable flood insurance through the National Flood Insurance Program or a private insurer.

I appreciate the inclusion of provisions in the 21st Century Flood Reform Act to protect current policyholders while making the program sustainable.

I also appreciate Chairman HENSARLING's willingness to work with

Members whose constituents, such as mine, rely very heavily upon the NFIP to address concerns we raised about the initial version of the bill that passed out of committee.

All in all, this bill is a positive step toward reauthorizing our Nation's flood insurance program, which is currently set to expire on December 8. We must take action to ensure coastal homeowners and others in flood-prone areas have access to affordable insurance.

Mr. Speaker, I look forward to working with my colleagues in the Senate to get a long-term reauthorization across the finish line and signed into law by President Trump.

House Resolution 616 also allows for consideration of the final version of the National Defense Authorization Act that was conferenced between the House and the Senate, reconciling the differences between two different versions.

Mr. Speaker, before I go into the substance of the bill, I would like to take a minute to commend the open and regular order process that has taken place from start to finish.

As a member of both the Armed Services Committee and the Rules Committee, I have followed this bill throughout the legislative process and think we should all be proud of the regular order and the fact that a wide range of members played a role in crafting the final product.

I applaud Chairman THORNBERRY, Ranking Member SMITH, and the entire Armed Services Committee staff for their dedication to an open process. I also appreciate the countless hours they have poured into this conference report.

Just as a quick reminder, we considered 275 amendments during the House Armed Services Committee back in June, and another 210 amendments when the NDAA was considered by the full House in July. In total, 485 amendments have been considered in the House, and, just as important, there was a clear bipartisan split between the number of majority and minority amendments.

The conference committee continued this bipartisan and collaborative process under the leadership of four chairmen and ranking members. Once again, this year's NDAA is truly a bipartisan and bicameral bill that provides the best for our military and national security.

Mr. Speaker, this NDAA follows through on our promise to our servicemen and -women and our constitutional duty to provide for the common defense of the United States of America.

The FY18 NDAA conference report authorizes a 10 percent increase in total military spending, reminiscent of the Reagan era defense buildup. The bill authorizes \$626 billion for base budget requirements, \$66 billion for overseas contingency operations, and \$8 billion for other defense activities.
