So the Journal was approved.
The result of the vote was announced
as above recorded.

RECOGNIZING PAUL FOGELBERG

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise to congratulate Paul Fogelberg from Orono, Minnesota, on receiving the EveryLife Foundation for Rare Disease's RareVoice Abbey Award from the EveryLife Foundation.

No one, Mr. Speaker, deserves this recognition more than Paul because of his tireless work on behalf of those suffering from pulmonary fibrosis, a disease that stiffens and scars the deep tissue in the lungs, making it increasingly difficult to breath until eventually you die.

Every year, more than 14,000 people die from the disease, essentially the same number of people who die from breast cancer.

Paul himself has pulmonary fibrosis and is a strong advocate for research, for awareness, and for more clinical

trials to help those who have contracted this deadly disease. There is no known cure for pulmonary fibrosis, yet Paul is a fighter, a leader, and a great advocate who is doing all he can to find one.

Congratulations again to Paul Fogelberg for being recognized as the EveryLife Foundation for Rare Disease's RareVoice Abbey Award.

NATIONAL APPRENTICESHIP WEEK

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, as co-chair of the bipartisan Career and Technical Education Caucus, I rise in recognition of National Apprenticeship Week.

Apprenticeships, Mr. Speaker, provide valuable industry-driven job training for students of all ages, preparing them for careers in high-skilled, high-demand fields. They are a proven workforce development tool that is crucial to meeting the demands of skilled trades, healthcare, and IT businesses, among many others, all of which currently face a significant shortage of qualified workers.

Now, this summer, the House passed the Strengthening Career and Technical Education for the 21st Century Act with strong bipartisan support, which promotes work-based learning as a key component of CTE programs.

My colleagues on both sides of the aisle and on both sides of the Capitol tout the value of apprenticeships. Now, Mr. Speaker, it is so important that we back our words with action by passing the Strengthening CTE Act into law and providing robust funding for apprenticeship programs across the Nation.

It is the right thing to do for our young people. It is the right thing to do for our workforce. It is the right thing to do for our Nation.

RECOGNITION OF HANK YEAGLEY ON 20 YEARS OF SERVICE TO CPI

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Hank Yeagley on 20 years of service to the Central Pennsylvania Institute of Science and Technology.

Hank began his service as chairperson of CPI's Joint Operating Committee in December of 1997. Serving 20 consecutive years at the helm, he will retire next month. Friends and colleagues will gather this week to celebrate Hank's years of dedication.

Under Hank's leadership, enrollment in CPI's secondary career and technical education programs have grown significantly. CPI became an approved and accredited Associate in Specialized
