

Beyond his duties as a civil servant, he has also given back to his community in countless ways, including managing the youth Munhall Baseball League, organizing summer athletic programs, working with Boy Scouts, Girl Scouts, and church groups, and teaching local government to youth groups and schools. He is also a member of a number of community service organizations, including Knights of Columbus No. 2201, the Catholic War Veterans Association, the Homestead Elks, and the Steel Valley Salvation Army Board of Directors.

For more than 50 years, Raymond Bodnar has demonstrated wholehearted dedication to public service and community involvement, and I think that we can all learn something from his example. I wish to congratulate the mayor on his retirement and commend him for his lifetime of devotion to the Munhall community.

Wednesday, November 1, 2017

Mr. CONNOLLY. Mr. Speaker, I rise today to recognize Dr. Cherif Sadki, principal of Gar-Field Senior High School, as the 2017 Outstanding High School Principal of Virginia.

Each year, the Virginia Association of Secondary School Principals, which is the seventh largest school administrators' organization in the National Association of Secondary School Principals, selects a principal to represent the state as the nominee for the National Principal of the Year Program.
